RACE #6: JUG MOUNTAIN

September 26-27, 2025

VENUE DESCRIPTION

We are returning to beautiful Jug Mountain Ranch for Race #6! This course and venue layout will be similar to previous years. The course will take advantage of some of the state's premier singletrack winding through meadows and Ponderosa forest at the base of Jughandle Mountain. The venue offers something for everyone: beginners will enjoy the rolling, buffed-out singletrack while more advanced riders have plenty of opportunities to ride technical features and fast, flowy descents.

VENUE WAIVER

Jug Mountain requires a supplemental waiver.

VOLUNTEERS NEEDED

Race day would not be possible without the incredible work of our volunteers. It takes a "village" to put on quality youth mountain bike races.

ALL of our volunteer positions are fun and straightforward. With the help of our training videos [HERE](#) and onsite review with one of our staff members, you'll feel confident and well-prepared to volunteer.

REMEMBER! Team Pit Zone access times for site selection/set-up will be based on the number of volunteers each team provides. To be counted toward your team total, you must register for your desired position(s) using the link we send out prior to each race.
